25 YEAR RE-REVIEW

SUBJECT: Weekly Activities Report #19

A. SIGNIFICANT ITEMS

25X1

Initiation of the first "Americans in [redacted] course occurred this week. Eighteen persons are enrolled. This course, like other area courses, has the strength of being a cooperative, with contributions by experts from throughout the Agency.

B. OTHER ACTIVITIES

25X1

25X1
1. Two applicants for the two-year program at [redacted] have been certified by OTR Qualifications Review Panels and approved by the Director of Training. Several other persons are known to be interested but have not applied due to inability to meet the language proficiency standards.

2. Three persons have been certified and approved for the Near East Analysts' Summer Program at [redacted]. Two applicants failed to meet standards of the Qualifications Review Panels, and the papers of one other applicant were withdrawn on the morning the Panel was to meet. No other applicants will be considered this year.

25X1

3. Following questions raised by the Qualifications Review Panel on OSI's request to provide one year's training in fundamentals of education at Teachers' College, [redacted] have had two further exploratory meetings with OSI personnel endeavoring to arrive at a clearer understanding of OSI objectives and at development of a suitable plan. [redacted] now is endeavoring to design a program to approach the OSI stated objective.
25X1

25X1

4. ORR ([redacted] and one other) has discussed with LETS appropriateness and means of developing a tutorial program in [redacted] for training in a special aspect of cartography. ORR now is pursuing suggested exploratory steps.
25X1

25X1

5. [redacted] and other persons in the Eastern Department now are located in Quarters Eye. Presently under way in that building are the following courses: [redacted]
